October 15, 1984

Fellow Bereans:

There will be a business meeting of all members of Berean Baptist Church on Sunday, October 21, 1984, immediately following the morning Worship Service.

The item of business will be to hear the report of the Organ Committee and act upon its recommendation. It is to your interest and to the church as a body of believers to listen to this report and make a decision.

The official board has authorized a means of funding a new organ.

Please make every effort to attend this important meeting.

Yours in Christ,

Merle Morgan

Given my ^{def} session with FMW on the preceding evening, I would say that I am extraordinarily well qualified to show the students the intricacies of "Life Science." "Life science" / artist's life waltz -- how to make an way through to wonder by doing what to wonder requires and by doing exactly as one wants / requires. Having slept for only about an hour I was not exactly in the best physical condition to teach all day but I nevertheless did manage to make it through the day.

Went directly home after school & slept from about 4 P.M. until 7 P.M., when I awoke and was unable to determine whether or not it was 7 in the evening or 7 in the morning. Got up and had something to eat & then sat down on my desk and began to sort out the past several days.
